Notes from the Prez:

Is it Winter? Is it Spring? I'm confused! Guess I will just stick with the calendar because it says January.

It was a beautiful day for our meeting and we had a good jam and worked on a couple of tunes (see article). Had some first timers and quite a few old timers. That's what's so great about our club. Folks just coming and going, refreshing tunes and learning new ones.

Final count for our campout at Waffle Farms is in, so I will be looking for a committee at the next meeting. We will need registration slips and deposits, so please see if you can give me a hand. Not much more to report at this time of year so just keep on hammering and strumming, and bring yourselves to our February meeting.

Take care.....Pennye

PS. Sorry about the snowmen, maybe next year (or maybe next month - remember - it's Michigan).

REMINDER: ODPC meeting in Spring Arbor, May 6, 2006.

Plans will be worked out at our April meeting.

Club Logo

A couple of years ago we voted on a new logo for our club.

Maybe we should put it to more use than just our newsletter.

The idea of a T-shirt has been brought up again. Maybe we could even be a little more classy than a plain old T-shirt. If you have any ideas, please bring them to the next meeting for discussion, or send me an email with your ideas (for those who are not able to attend).

Buckeye Dulcimer Festival

March 8-12, 2006

It's that time again for you to sign up for the first festival of the year. I am really excited about it this year because Sam Rizetta will be conducting a workshop. I have heard about him, heard his music, but never have met him. He is also known for his innovative designs for the hammered dulcimer. Other dulcimer instructors will be Rick Thum (HD), DeeDee Tibbits (HD), Don Pedi (MD), Gary Gallier (MD), Ken Kolodner (fiddle), Sue Richards (folk harp), Les Gustafson-Zook (autoharp) to name a few.

Check out www.geocities.com/buckeyedulcimer for all other information.

Hope to see you there.....Pennye

Tune of the Month

During our last meeting we only had a chance to work on Steppin' Out with George and Wheels. Wheels has been redone because of the problems we had playing the second part. The enclosed music was accepted by everyone at the meeting. Continue working on Moya Kochka and Wake Up Susan.
