Notes from the Prez:

Our October meeting was really well attended. Arizona Waltz workshop showed more of a road map to where all the notes are played versus really getting to know it on that day. Eventually everyone will get it down and there are even a lot more of us that like it now.

Nominating committee will be working diligently to get us some nominees for all of the terms of office that are ending. There are also many other areas where volunteers are needed. See the article on all of the duties of our elected officers and appointed officers. Some of the appointed officer's duties have been covered by elected officers so maybe you would like to extend a helping hand. We need you all in order to operate efficiently. Wow, sounds really serious!! But seriously, our club is truly a fun group to be with and if it weren't for everyone pitching in, it wouldn't be.

Good luck to our Nominating Committee and Nominees.

Happy Halloween.....Pennye :>)
