## Notes from the Prez:

It was so good to see everyone for our first meeting. There were about 15 in attendance so we did a round robin one time for our slow jam.

After a short meeting and snack break, we went around twice more and ended our meeting about 4:00 pm. It was really fun and we had some new members join us, along with two new (beginner) mountain dulcimer players. They hung in there and enjoyed it very much. They might just be the beginning of our next MD group - you never know since I keep getting requests from folks about where they can meet each other.

I know it's still a busy time of year but I hope that many of you can make it to our next "Event" at Blair Farm and Rust & Dust Days (see the calendar). Get out that play list and practice, and join us even if you can't play every tune. These are great places to get the feeling of "playing out". We would love to have you!

Happy Fall.....Pennye

### Tune of the Month

This month we are going to refresh a tune that we never play, Arizona Waltz. I will workshop this tune since we have so many new members. Thanks to Betty Groulx for supplying the words.

### New Vests and Shirts

There will be one more order placed for delivery at our December 9th meeting. Please get your order in as soon as possible. Everyone looks so sharp especially when we play out! Great Christmas gift!!!

### Nominating Committee

Will you please volunteer to be on the nominating committee? (It's better than being appointed!) We need a few folks to help us find new officers for 2007-2008. All positions will be open so we would also like you to consider helping out in these areas: President, Vice-President, Secretary and Treasurer/Membership. Those are our elected offices. Also, if you would like to help with our music, tape and CD sales, newsletter, web site, sunshine committee, or coordinate our play dates, please let your current officers know. Some of the folks who have worked on these things for many years might like a break. Next month the duties of each position will be posted.

### Newsletter on our Web Site

It was suggested that we post our newsletter on our web site for those with internet access. It is currently being tested and hopefully will be up and running for our November newsletter. The main purpose would be for cutting costs, but it would also help Bob and Sue's workload. We would like to notify our members via e-mail when the newsletter is ready on a trial basis. We currently only have about 20 email addresses from 80 members. Please send your current e-mail address to Bob at [Rgolfer5@cs.com](mailto:Rgolfer5@cs.com). The other option would be to have a deadline date for members to go and get their newsletter. Anyone not having internet access would still receive their newsletter via the U.S. Post Office.

### Pam Bowman and Friends Concert

Pat Hesselgrave is coordinating a concert series at her church (see advertisement). She would also like to have a fun jam in the afternoon of this particular concert
